

Juniper Hill School Parking reminder

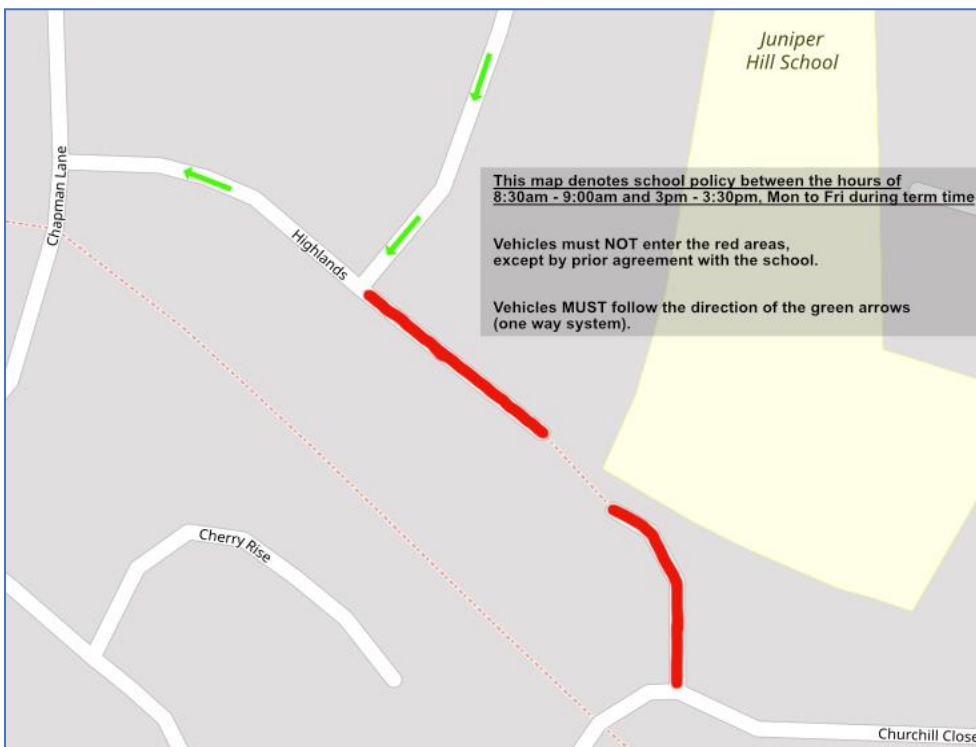

- No parking on the pavements please. Let's work together to keep our kids **safe**.
- Walk to school - Juniper children can achieve monthly badges by recording more walking-days on their daily Travel Tracker at school.
- Park further away to help your child achieve their next WOW badge!
- Respect - please respect our local residents by not parking across their drives or on the pavements.
- Parking near a junction - remember the highway code!
Keep 32 feet (10m) away from any junction.
- Don't let your car idle! This is illegal and bad for the environment.

Please stick to this parking guidance:

- * NO cars may enter the stripy sections.
- * NO entry into Highlands beyond its junction with Greenlands
- * NO entry into the spur within Churchill Close that leads directly to the school.

**Help us to
keep everyone
safe.
Together we
can make a
difference!**
