

Genuine "Superhero" Eco Party Pack Available to Hire **(Saving the planet one party at a time)**

This is a box of reusable BPA free plastic tableware that can be hired for children's parties at a cost of £10, with all proceeds going directly to the PTA.

It helps us do our bit for the environment, reducing the amount of single use items ending up in landfill, whilst creating much needed funds to support the school.

It also gives the message to our children that we care about their planet and we can all do our bit.

The eco-party pack includes:-

- 42 x plates
- 42 x cups
- 24 x small bowls
- 4 x jugs
- 6 x sandwich platters/trays
- 4 x large bowls
- (all items BPA free plastic)*

We really hope you take advantage of this initiative when arranging your parties. It has proved a highly successful approach in other schools, raising essential funds for resources to support the children.

To use the eco-party pack:-

1. Submit a request to the PTA rep responsible (Gemma – 07793 715 473).
2. Pay £10 hire cost (in advance of hire) to Juniper PTA Hill by bank transfer (sort code 60-13-35, account 86870297, using reference "EPP" followed by your surname).
3. Arrange to collect the tableware from Gemma at school prior to the party.
4. Wash, dry and return the following week (or agreed time if multiple parties on the same weekend).
